U.S. immigration regulations require that Curricular Practical Training be used by students for employment that is an integral part of the established curriculum for a degree program. Please select the type of CPT the student will be engaged in:

- Required. An internship is part of the graduation requirements for the degree. Attach a copy of the internship/practicum description from the CST catalog.
Optional. The student will be enrolling for a course that requires an internship. Attach a copy of the internship/practicum description from the course syllabus.

Course # # of Units Semester

I have reviewed this internship offer and consider it to meet the criteria for Curricular Practical Training. I understand that CPT must be directly related to the student's academic work in his/her major field of study.
